

GREGORY DICKOW MINISTRIES

THE POWER TO CHANGE TODAY!

August 2007

Dear Friend,

I am writing you this letter because I want to share with you what I believe to be one of the most important messages to the Body of Christ today – and what I have to tell you will seriously impact your life, your finances, your family, your future, and your safety.

The world has never known such times as we are now in. We are living in the last of the **last days**. **Wars and rumors of wars** are every day in this world. **Fear and anxiety** about the future are at an all time high. Our enemy, **the devil, is prowling about like a roaring lion**, seeking someone to devour...

But **in the midst of all this**, you can be **more confident than you have ever been**. You can be **more secure than you have ever been**. You can be **more prosperous than you have ever been**.

Why? **Because you are in charge!** You are in control!

The devil tries so hard to keep us ignorant of the fact that we, as Christians, are truly in charge of our life and circumstances. He can't fully carry out his designs and schemes, **as long as we are around and as long as we understand our authority over him and all his demon powers**.

In Luke 10:19 Jesus declared that we have *“power to tread upon serpents and scorpions and over ALL THE POWER OF THE ENEMY.”* If Jesus were here on the earth, could the devil do whatever he wanted? No, because Jesus has authority over the devil. Well, we are the Body of Christ. We, as Christians, are “Jesus on the earth.” We have the same authority He has. **We have more power than we realize, and it's time we wise up and start exercising it!** **God has designed you to be in charge. But since He says that we are more than conquerors (Romans 8:37), why are we the ones being conquered?** Christians are being conquered by sickness, by debt and financial problems, by family problems, by depression and fear, by the devil himself.

Why? To answer these questions...and to help you live a victorious, masterful life...I want to share with you the simple steps to taking charge of your life in my teaching series, *Reigning in Life*. In these messages, I will show you:

- o How and where you get your authority
- o How to exercise your authority so you can begin reigning in life

- o How you can think, speak, and act with authority
- o How to overcome the pattern of destruction that the devil has been trying to bring into your life
- o How to avoid the barriers that try to prevent you from walking in your authority

As a child of God, you have the right to walk in His blessing and His power! And it's your time to do it!

When we don't know who we are IN CHRIST, the devil will invade us, overtake us, prevail against us, and eat us out of house and home. We will be defeated, poor and sick — all because we don't know who we are.

Well, enough is enough! It's time for us to prevail against and take back what is rightfully ours. But to do that, we must know who we are! Also to help you gain that knowledge, I've enclosed a list with this letter of the six things God has to say about you in His Word to remind you of who you were meant to be.

In my series, *Reigning in Life*, I will show you practical ways to walk in your authority over the devil, over sickness, over poverty, over problems of any kind. **The victorious life is not a fantasy...it is a dream come true!** You are more than a conqueror because you are loved!

When you send a gift to support our ministry this month, I will send you this powerful series. Listen to these lessons and allow me to help **empower you with the knowledge and practical step-by-step processes** to walking in the authority God created you to walk in! Get understanding and be delivered from fear, anxiety, lack and every negative emotion known to man!

Take the first step to living in the fullness of your authority...and sow a seed into the lives of multiplied thousands around the world as you send your gift. Don't wait— take that step today!

In His Love,
Pastor Gregory Dickow

P.S. If you send your gift right now, I'll also include two special additional messages, *More Than Conquerors* and *Established in Righteousness*. I want you to have them because I want to sow into your life, and I know what an amazing difference these truths have made for so many others...and will make for you. Be sure and ask for them on the enclosed order form.
