

## You Can Recover ALL

We are flooded with testimonies from people whose lives have been touched and changed by the power of God through your ministry . . . you make it possible for me to declare the Word of God — and the Word does the work!

“I cannot begin to describe to you the liberation I have experienced.” one woman recently wrote, “Because of your message ‘Mastering Your Emotions.’ I heard it on a day when I was experiencing (for the millionth time) extreme emotional pain resulting from a 10 year relationship that ended badly a couple of years ago.”

Look how God reached her through you: “I happened to turn on the TV at a moment when I felt myself spiraling downward into yet another whirlpool of rejection, insecurity, unworthiness, and all that goes along with that. Your program came on twice, right at the moment when you were teaching on ‘Let not your heart be troubled.’”

This woman had heard this passage of Scripture before — “but that day,” she writes, “I really heard it, and received it, and was just elated when I realized that **MY HEART DOES NOT HAVE TO BE TROUBLED BY THIS, OR ANYTHING ELSE EVER AGAIN!**” She says she is now “a different person, because I am no longer at the mercy of the devil.” She has been delivered! And “I have no intention of ever going there again!” she exclaims.

While I rejoice with her — my spirit is not satisfied. I want to see God accomplishing this supernatural work in YOU. What has the enemy stolen from you? Your health? Your finances? Your peace? Maybe you’ve suffered losses in your marriage, in your family, in your relationships. YOU CAN like David and his men did in 1 Samuel 30 – the same promise is for you: “You shall surely overtake them and without fail recover all.” I want to share with you this surprising, yet simple four-step process that David used to get back everything that the enemy had taken from him. . . exactly the same process that YOU can use to get back everything the enemy has taken from you. You can see everything

stolen — **RETURNED!**  
everything broken — **RESTORED!**  
everything missing — **FOUND!**

This is God’s promise to you! Possess it today! Let me share one of the four steps that David used to recover all: In Samuel 30:8, David asked God, “Should I pursue them, shall I overtake them?”

Often times you are faced with two options, and you're trying to figure out which to do. (Hint: It's okay to ask the Lord, "Should I choose option A or option B?") The key is to follow the peace of God in your heart. Colossians 3:15 (AMP) says peace is always the one the Holy Spirit is showing you . . . but it may not be the easiest one to choose.

Now, notice what God says to David when David asks God specifically what to do: (You must be specific, according to James 4:2) "Pursue, for you shall surely overtake them and without fail recover all! "(1 Samuel 30:8b.)
