

Absolute Freedom from Anger

Take Charge of Anger! (Before It Takes Charge of You)

I have a confession to make: I used to be an angry man.

And it looks like I have lots of company, because anger is a problem for both men and women. Anger is deadly, dangerous . . . and it will destroy you. But only if you let it.

Many people admit that they struggle with this troublesome emotion. (I suspect some of the others also struggle with telling the truth.) Because the fact is, we all have trouble with anger.

Anger has destroyed our marriages, torn our families to shreds, and ruined countless personal relationships. It is one of the most potent weapons the enemy uses against us. If left uncontrolled, it will literally kill you.

But I have good news! GOD HAS GIVEN YOU AUTHORITY over anger. You are a child of the King, and ANGER NO LONGER HAS THE RIGHT to control your life.

You have been given your freedom! And because you are a friend of this ministry, I would like to show you how to claim that freedom. I want to reveal anger-fighting secrets that could SAVE YOUR MOST IMPORTANT RELATIONSHIPS . . . PREVENT YEARS OF PAIN AND REGRET . . . and POSSIBLY SPARE YOUR LIFE.

Even as you read this, your anger may be poisoning your health. Many doctors believe that anger is a leading cause of serious health problems like heart disease, stroke, and even cancer.

Yet the root of anger is a spiritual problem.

And spiritual problems require spiritual solutions! That's why I'm convinced that the best way I can help you is by offering you my teaching on Absolute Freedom from Anger. This two-message audio series is an extremely practical look at how to take charge of anger before it can take charge of you.

Even if you don't see a problem with anger in your life right now, please do not miss out on this incredible teaching. You see, I can almost guarantee that there is someone you love who desperately needs you to share it with them.

What's more, if we are honest with ourselves, most of us will find that we need Absolute Freedom from Anger more than we think.

This is because letting even a little anger into our hearts brings sin and destruction to our doorstep . . . and gives the devil a beachhead to dominate every area of our life.

It doesn't have to be that way! Not if you understand the THREE ROOT CAUSES OF ANGER and use NINE SIMPLE, BIBLICAL STRATEGIES to disarm anger before it can consume you. I will teach you those strategies through these two dynamic messages on cassette or CD.

I'll explain that mastering anger is the key to victory in other areas of your life, too. Proverbs 16:32 says, "He who is slow to anger is better than the mighty, and he who rules his spirit than he who takes a city." I'll prove that you can be self-controlled. And this is just the beginning.

I encourage you to order your copy of Absolute Freedom from Anger. I know this series will help give you--or someone you love--victory over anger today, tomorrow, and every day for the rest of your life!
